Whereas, the Superintendent of Police, South Goa District, Margao vide letter dated 25-06-2014 has reported that in view of prevailing situation in the country and intelligence inputs regarding terrorist threats to Western Coasts of India, it is necessary to impose restrictions on the commercial places/shops which are popularly known as Cyber Cafes to use the internet facilities in such places including E-Mail by a large number of people who visit them.

And whereas, it has come to notice that certain anti-social elements/terrorists are using these facilities to mislead the security investigating agencies, create panic in the public, endanger the security of VVIPs and vital installations and help in the terrorist activities, thereby, directly affecting the security of the State.

And whereas, the non-maintenance of the users register by the Cyber Cafes and other such establishments to register the details of the service

users by means of photo identity card (like Driving License, Passport, Election Card, Student Identity Card etc.) such as name, date, time and usage of period, it becomes very difficult to trace them in case they commit any offence and are absconding.

And whereas, it is necessary to take speedy measures in this behalf to prevent danger to human life or safety, to thwart/prevent terrorist activities, which may affect the security of the State and create disturbance of public order and tranquility.

Now, therefore, on being satisfied with the report of the Superintendent of Police, South Goa District, Margao, I, Venancio S. - iii) Make an entry in the handwriting of the visitor/user mentioning name, address, telephone number and identity proof. The visitor/user shall also sign the register kept for this purpose;
- iv) The identity of the visitor/user shall be established through Government identity card only like voter card, driving licence, smart card, passport etc.;
- v) Activity server log should be preserved in main server and its record should be preserved for at least six months;
- vi) If any activity of the visitor is of suspicious nature, the owner of Cyber Cafe will immediately inform the Police Station;

- vii) Records should be maintained about the specific computer used by the person.
- viii) CCTV cameras should be installed in Cyber Cafe and at entry point so as to capture the face cut of every person entering Cyber Cafe. The CCTV footage should be kept for at least 30 days and be made available to Police on demand.

And whereas, the circumstances do not permit serving of the notice individually in due time to the concerned, the order is hereby passed ex-parte. It shall be published for information of public through Press and also by affixing copies on the Notice Boards of all Sub-Division Magistrates, Mamlatdars and Police Stations.

Any person contravening this order shall be punishable under Section 188 of the Indian Penal Code.
